APPROVAL	OF STATE ENGINEER		
This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the			
•			
following limitations and conditions: This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right			
obtained under this permit will be	dependent upon the amount of water		
actually placed to beneficial use.	It is also understood that this		
right must allow for a reasonable l	owering of the static water level		
at permittee's well due to any other	r ground water development in the		
area. A substantial weir or other	type of measuring device must be		
installed and measurements of water	use kept. The well shall be equipped		
with a 2-inch opening for measuring depth to water. If well is flowing,			
a valve must be installed and maintained to prevent waste. The State			
retains the right to regulate the use of the water herein granted at			
any and all times.			
The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and			
not to exceed 1.0 cubic feet per second, but not to exceed a yearly duty of 5.0 acre-feet per acre of land irrigated from any and/or all sources.			
Actual construction work shall begin on or before	May 21, 1969		
	June 21, 1969		
Work must be prosecuted with reasonable diligence and be completed on or before. May 21, 1970			
Proof of completion of work shall be filed before			
Application of water to beneficial use shall be made on o	r before		
Proof of the application of water to beneficial use shall be filed on or beforeJune 21, 1971			
Map in support of proof of beneficial use shall be filed on or before June 21, 1971			
Commencement of work filed NOV 25,1968 IN TESTIMONY WHEREOF, L. ROLAND D. WESTERGARD			
Completion of work filed. Nov. 25, 1968 Proof of beneficial use filed. 1972 State Engineer of Nevada, have hereunto set my hand and the seal of my office, this 21st day of November.
